

2017 BRIAN DOUGLAS HILTUNEN AWARD
for the Outstanding Contribution to the Scholarship of Engagement

APPLICATION PACKET

Campus Compact

Indiana

Indiana Campus Compact (ICC) is a partnership of Indiana's public, private, and community college higher education institutions focused on advocating, implementing, and improving service engagement, so that students graduate as well-informed, engaged and productive members of society, who are fully enabled to provide leadership and service that advances the public good in their communities.

Indiana Campus Compact 2016 Brian Douglas Hiltunen Faculty Award for the Outstanding Contribution to the Scholarship of Engagement

The Brian Douglas Hiltunen Award is presented annually to recognize faculty at Indiana Campus Compact member campuses who are exemplars of the scholarship of engagement.

In his essay, *Creating the New American College*, the late Ernest Boyer challenged higher education to recommit to service. He expressed concern about a “growing feeling in this country that higher education is a private benefit, not a public good.” To address this concern, Indiana Campus Compact developed the Faculty Fellows and the Scholarship of Engagement programs to support faculty in their endeavors to recommit to service and thereby become connected to the community. Brian Douglas Hiltunen served Indiana Campus Compact for four years as a project director and helped to design these programs, prior to his death in 1999. The Hiltunen Award was established in 2000 to honor Brian’s legacy and his work with faculty who are practicing the scholarship of engagement.
