

2017 OUTSTANDING COMMUNITY PARTNER AWARD

APPLICATION PACKET

Campus Compact

Indiana

Indiana Campus Compact (ICC) is a partnership of Indiana's public, private, and community college higher education institutions focused on advocating, implementing, and improving service engagement, so that students graduate as well-informed, engaged and productive members of society, who are fully enabled to provide leadership and service that advances the public good in their communities.

Indiana Campus Compact 2017 Outstanding Community Partner Award

The Indiana Campus Compact Outstanding Community Partner award recognizes an outstanding community partner organization and its staff and volunteers for their partnership with an Indiana Campus Compact member institution to educate and empower students while providing a positive impact in their communities.

We recognize that whether we are talking about community service, service-learning, community based research, or any other form of civic or community engagement, campuses are not doing the work alone. It is only accomplished through strong partnerships with community organizations, schools, and communities. Indiana Campus Compact would like to recognize the organizations that have partnered with your campus on multiple initiatives over time and have truly served as partners and co-educators in the positive development of your students and the community.
